Submitting Samples from outside the US

Biomass Energy Lab and Timber Products Inspection, Inc. are pleased to offer quality testing services. We do accept samples from outside the United States, however it is the responsibility of the customer to ensure the samples clear customs in order to be delivered to the lab.

In order to assist with shipments to the lab, we recommend using the Customs Broker listed below. Please contact her directly to utilize her services.

Recommended Customs Broker:

Nubia Brining
John M Brining Co. Inc.
202 Congress Street
Mobile AL 36603
Phone: 251-432-9741
Fax: 251-432-2029

Please note—any samples that contain over 15% moisture will alert customs officials, and may cause a delay or cancellation of the shipment.

All samples should be sent to :

Biomass Energy Lab
1641 Sigman Road
Conyers GA 30012

If you have any questions, please call Tammy Hippchen at 218-461-2579.

We appreciate your business!
